FURTHER EDUCATION

Around the age of sixteen you must make one of the biggest decisions **1.** your life. Do I stay on at school and hopefully go on to university **2.**? Do I leave and start work or begin a training **3.**? The decision is yours, but it may be **4.** remembering two things: there's more unemployment **5.** people who haven't been to university, and people who have the right **6.** will have a big advantage in the competition for jobs. If you decide to go **7.** into a job, there are many opportunities for training. Getting qualifications will **8.** you to get on more quickly in many careers, and evening classes allow you to learn **9.** you earn. Starting work and taking a break to study when you're older is **10.**possibility. This way, you can save up money for your student days, as well as **11.**practical work experience.
